IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Palmdale School District in an aggregate principal amount not to exceed \$3,871,629.20.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Governing Board of the Palmdale School District adopted a resolution on November 18, 2003 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$3,871,629.20 to be used for authorized purposes.

On November 6, 2001 an election was held whereby qualified voters of the District approved the proposition authorizing the District to issue \$25,000,000 in general obligation bonds in order to construct, furnish and equip two K-8 schools and eliminate student overcrowding, improve student safety and reduce class size. This is the second and final issuance of bonds authorized under this measure. Bonds sold in the first series amounted to \$21,128,370.80.

Pursuant to Section 15266 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County of Los Angeles following receipt of the district resolution requesting such borrowing.

It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for issuance of bonds at a true interest cost not to exceed 8%. The final structure will be determined at the time of pricing to achieve the lowest cost of financing within the limits of the proposition's tax levy. The term of the bonds will not exceed twenty-five years. Provisions for optional redemption of these bonds will be described in the Bond Purchase Agreement.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in pricing of the bonds, to the Underwriter. The District has selected UBS Financial Services as Underwriter; O'Melveny & Myers as Bond Counsel; and U.S. Bank Trust National Association as Paying Agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

With respect to Bonds registered in the Bond Register in the name of the Nominee, the County and the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the County and the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any Redemption Notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The County and the District may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices (as defined in Section 25 below) and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Bond Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) In order to qualify the Bonds for the Depository's book-entry system, the District is hereby authorized to execute and deliver to such Depository a letter from the District representing such matters as shall be necessary to so qualify the Bonds (the '**Representation Letter**'). The execution and delivery of the Representation Letter shall not in any way limit the provisions of subsection (a) hereof or in any other way impose upon the County or the District any obligation whatsoever with respect to persons having beneficial interests in the Bonds other than the Owners, as shown in the Bond Register. In addition to the execution and delivery of the Representation Letter, the County and the District, and their respective deputies and designees, are hereby authorized to take any other actions, not inconsistent with this Resolution, to qualify the Bonds for the Depository's book-entry program.

(c) If at any time the Depository notifies the County and the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Treasurer within 90 days after the County and the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the Treasurer shall issue bonds representing the Bonds as provided below. In addition, the County and the District may determine at any time that the Bonds shall no longer be represented by global bonds and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the Treasurer shall execute and deliver bonds representing the Bonds as provided below. Bonds issued in exchange for global bonds pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the Depository shall instruct the County and the District. The Treasurer shall deliver such bonds representing the Bonds to the persons in whose names such Bonds are so registered.

If the County and the District determine to replace the Depository with another qualified securities depository, the County and the District shall prepare or cause to be prepared a new fully-registered global bond for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the County, the District and such securities depository and not inconsistent with the terms of this Resolution.

(d) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(e) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

SECTION 12. Execution of the Bonds.

(a) The Bonds shall be executed in the name of the District by the County by the manual or facsimile signature of the Chairman of the Board of Supervisors and the manual or facsimile signature of the Treasurer, and shall be countersigned by the manual or facsimile signature of the Executive Officer - Clerk of the Board or by a deputy of either of the officers. In case any one or more of the officers who shall have signed any of the Bonds shall cease to be such officer before the Bonds so signed shall have been issued by the County on behalf of the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed on behalf of the County by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the County, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 13. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A-1 or A-2 hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the County, the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require

the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 14. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section 14 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 15. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books. While the Bonds are held in the book-entry system, the Paying Agent is not required to keep the registration books.

SECTION 16. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first-class mail, postage prepaid, not less than 90 days prior to the date of such payment to the effect that said

money has not been claimed and that after a date named therein any unclaimed balance of said money then remaining will be transferred to the General Fund of the District under the order of the County Office of Education. Thereafter, the Owners of such Bonds shall look only to the General Fund of the District for payment of such Bonds.

SECTION 17. Application of Proceeds. Upon the sale of the Bonds, the Treasurer is hereby directed to deposit or cause to be deposited the proceeds thereof, exclusive of accrued interest and any original issue premium, into the fund administered by the County Office of Education for the account of the District and designated as the General Obligation Building Fund, Series 2003 (the "**General Obligation Building Fund**"). The District shall, from time to time, provide written instructions to the County Office of Education requesting disbursement from the General Obligation Building Fund to pay the Project Costs. Amounts in the General Obligation Building Fund shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the General Obligation Building Fund. The County shall not be responsible for the use of these funds.

Any amounts that remain in the General Obligation Building Fund at the completion of the Projects shall be transferred to the Debt Service Fund (defined below) to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Nonarbitrage Certificate.

SECTION 18. Payment and Security for the Bonds. The Board shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct ad valorem tax upon the taxable property in the District in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The County, on behalf of the District, hereby pledges as security for the Bonds and the interest thereon, and the County is directed to deposit or cause to be deposited in the District's Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "**Pledged Moneys**"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds.

SECTION 19. Debt Service Fund.

(a) The Treasurer is hereby further directed to deposit or cause to be deposited any accrued interest and any original issue premium received by the County from the sale of the Bonds in the fund established for the account of the District and designated as the "Palmdale School District General Obligation Bonds (Election of 2001), Series 2003, Debt Service Fund" (the "**Debt Service Fund**") to be used only for the payment of the Principal of, premium, if any, and interest on the Bonds.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds.

(c) On the Business Day immediately preceding each Interest Payment Date if the Paying Agent is not the Treasurer, and on the Interest Payment Date if the Paying Agent is the Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "**Debt Service**") on such Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District shall cause moneys to be transferred to the extent needed to comply with the Nonarbitrage Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds Outstanding shall be transferred to the general fund of the District subject to any conditions set forth in the Nonarbitrage Certificate.

SECTION 20. Establishment and Application of Excess Earnings Fund. There is hereby established in trust a special fund designated "Palmdale School District General Obligation Bonds (Election of 2001), Series 2003, Excess Earnings Fund" (the "**Excess Earnings Fund**") which shall be held by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys from the General Obligation Building Fund to the Excess Earnings Fund in accordance with the provisions of the Nonarbitrage Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Nonarbitrage Certificate.

SECTION 21. Payments of Costs of Issuance. The District shall pay, or cause to be paid, Costs of Issuance using moneys disbursed from time to time, as appropriate, from the General Obligation Building Fund. Notwithstanding the foregoing, all or a portion of the Costs of Issuance may be paid by the Underwriter. Any amounts retained by the Underwriter for payment of Costs of Issuance and returned to the District pursuant to the Contract of Purchase shall be applied to the payment of principal of and/or interest on the Bonds.

SECTION 22. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the Treasurer or the County Office of Education may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 23. Redemption.

(a) The Current Interest Bonds shall be subject to redemption as provided in the Contract of Purchase.

(b) The Capital Appreciation Bonds shall not be subject to optional redemption, except as otherwise provided in the Contract of Purchase. The Capital Appreciation Bonds shall be subject to mandatory redemption prior to their maturity date, by lot, at the

Accreted Value thereof, without premium, on the dates, if any, in the years and in an amount equal to the aggregate Accreted Values as and to the extent set forth in the Contract of Purchase.

SECTION 24. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Payment Date designated for such redemption, shall select Bonds for redemption in inverse order of maturity. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof. The Accreted Value of such Capital Appreciation Bond shall be determined by reference to a schedule to be provided to the Paying Agent.

SECTION 25. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount or Accreted Value, as appropriate, of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds, and that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) In the event that the Bonds shall no longer be held in book-entry-only form, at least 35 but not more than 45 days before the redemption date, such Redemption Notice

shall be given by (i) first class mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

SECTION 26. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 27. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 23 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Section 23 shall be cancelled upon surrender thereof and delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent upon written notice by the County or the District given to the Paying Agent.

SECTION 28. Paying Agent; Appointment and Acceptance of Duties.

(a) The Treasurer is hereby appointed to act as Paying Agent for the Bonds under this Resolution. The Treasurer is authorized to contract with any third party to perform the services and duties of Paying Agent on behalf of the Treasurer under this Resolution. All fees and expenses incurred for services of the Paying Agent, including its third party agents, shall be the sole responsibility of the District. The District or its designee shall function as the dissemination agent and shall perform all duties and obligations as set forth in the Continuing Disclosure Agreement. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. If the Paying Agent is not the Treasurer or its

agents, such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 29. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 30. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the County or the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 31. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. Pursuant to Section 15232 of the California Education Code, such payments, charges and expenses may be paid out of the tax levied and collected for the payment of the Bonds. In no event shall the County be required to expend its own funds hereunder.

SECTION 32. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 33. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The Treasurer acting as the initially appointed Paying Agent may resign from service as Paying Agent at any time. Without further action by the District, if at any time the Treasurer acting as the initial Paying Agent shall resign, the Treasurer shall, prior to such resignation, appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$50,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the County and the District, a written acceptance thereof. Resignation of the Treasurer acting as the initial Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) Any Paying Agent (other than the Treasurer) appointed may resign from service as Paying Agent and may be removed at any time by the Treasurer as provided in the

Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$50,000,000 in net assets. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the County and the District, a written acceptance thereof. Resignation or removal of the Paying Agent (other than the Treasurer) shall be effective upon appointment and acceptance of a successor Paying Agent.

(c) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor. The County shall promptly provide notice of the name and principal corporate trust office address of the Paying Agent appointed to replace any resigned or removed Paying Agent to the Owners of the Bonds by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

SECTION 34. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts, subject to any conditions set forth in the Nonarbitrage Certificate. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the General Obligation Building Fund, the Excess Earnings Fund and the Debt Service Fund shall remain on deposit in such funds.

SECTION 35. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 36. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that so long as the Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment

or modification. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 37. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the County may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms;

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 38. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 39. Defeasance. If all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

- (1) by well and truly paying or causing to be paid the Principal, premium, if any, and interest on all Bonds Outstanding, and when the same become due and payable;
- (2) by depositing with the Paying Agent, in trust, at or before maturity, cash which together with the amounts then on deposit in the Debt Service Fund (and the accounts therein other than amounts that are not available to pay Debt Service) together with the interest to accrue thereon without the need for further

investment, is fully sufficient to pay all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

- (3) by depositing with an institution that meets the requirements of serving as successor Paying Agent pursuant to Section 33 selected by the District and approved by the County, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon without the need for further investment, be fully sufficient to pay and discharge all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the County, the District and the Paying Agent under this Resolution with respect to all Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 31 hereof.

SECTION 40. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if the Treasurer, in consultation with the Underwriter, the District and its financial advisor, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

SECTION 41. Approval of Actions. The Officers of the Board of Supervisors and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

SECTION 42. Effective Date. This Resolution shall take effect immediately upon its passage.

The Bonds of this issue are comprised of \$_____ Principal Amount of Current Interest Bonds, of which this Bond is a part (a "**Current Interest Bond**") and \$_____ Principal Amount of Capital Appreciation Bonds. This Bond is issued by the County of Los Angeles (the "**County**") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 2 of the California Education Code (commencing with Section 15100) (the "**Act**") and (ii) Article XIII A of the California Constitution, and pursuant to that certain "Resolution of the Board of Supervisors of the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligation Bonds (Election of 2001) Series 2003 of the Palmdale School District in an Aggregate Principal Amount not to Exceed \$3,871,629.20" adopted by the Board of Supervisors of the County on _____, 2003 (the "**Resolution**"). Reference is hereby made to the Resolution, a copy of which is on file with the Executive Officer-Clerk of the County, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of fifty-five percent of the qualified electors of the District voting on the proposition at a special election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to both Principal and interest from ad valorem taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Principal of this Bond, or any part thereof, nor any interest or premium hereon constitutes a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Principal Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District, the County and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

Current Interest Bonds maturing on or before August 1, [] shall not be subject to redemption prior to their maturity dates. Current Interest Bonds maturing on or before August 1, [] may be redeemed before maturity at the option of the District, from any source of funds, on August 1, [] or on any Interest Payment Date thereafter as a whole, or in part, in inverse order of maturity and by lot within a maturity. For the purposes of such selection, Current Interest Bonds will be deemed to consist of \$5,000 portions, and any such portion may be separately redeemed. [To Come From Contract of Purchase]

The rights and obligations of the County and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that so long as the Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally-recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Principal Amount of this Bond plus premium, if any, and accrued interest due with respect hereto are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the

The Bonds of this issue are comprised of \$_____ of Principal Amount of Capital Appreciation Bonds of which this Bond is a part (a "**Capital Appreciation Bond**") and \$_____ Principal Amount of Current Interest Bonds. This Bond is issued by the County of Los Angeles (the "**County**") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 2 of the California Education Code (commencing with Section 15100) (the "**Act**") and (ii) Article XIII A of the California Constitution, and pursuant to that certain "Resolution of the Board of Supervisors of

the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligation Bonds (Election of 2001) Series 2003 of the Palmdale School District in an Aggregate Principal Amount not to Exceed \$3,871,629.20" adopted by the Board of Supervisors of the County on _____, 2003 (the "**Resolution**"). Reference is hereby made to the Resolution, a copy of which is on file with the Executive Officer-Clerk of the County, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of fifty-five percent of the qualified electors of the District voting on the proposition at a special election held therein to determine whether such Bonds should be issued.

This Bond is a general obligation of the District, payable as to Maturity Amount from ad valorem taxes which, under the laws now in force, may be levied without limitation as to rate or amount upon all of the taxable property in the District. Neither the payment of the Maturity Amount of this Bond, or any part hereof, nor any premium hereon, constitutes a debt, liability or obligation of the County.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District, the County and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

Mandatory Redemption of Capital Appreciation Bonds. To the extent set forth in the Contract of Purchase, the Capital Appreciation Bonds will be subject to mandatory redemption prior to their maturity date, by lot, at the Accreted Value thereof, without premium, on each August 1, in the years and in an amount equal to the aggregate Accreted Values set forth below:

<u>Redemption Date</u>	<u>Accreted Value To Be Redeemed</u>

[To Come From Contract of Purchase]

The rights and obligations of the County and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County with the written consent of owners of at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that so long as the Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or

amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other covenants and agreements to be observed by the County which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally-recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Maturity Amount, without premium, is duly provided therefore as specified in the Resolution, then interest shall cease to accrete with respect hereto from and after the date fixed for redemption.

5. **Review of Official Statement.** The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement with respect to the Bonds, dated [____], 2003 (the "**Preliminary Official Statement**"). The District represents that it deems the Preliminary Official Statement to be final, except for either revisions or additions to the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (the "**Rule**").

The Underwriter agrees that prior to the time the final Official Statement relating to the Bonds is available, the Underwriter will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

6. **Closing.** At 8:30 a.m., California Time, on [_____], 2003, or at such other time or on such other date as shall have been mutually agreed upon by you and us (the "**Closing**"), you will deliver to us, at the offices of The Depository Trust Company ("**DTC**") in New York, New York, or at such other place as we may mutually agree upon, the bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, and in Los Angeles, California, the other documents hereinafter mentioned; and we will accept such delivery and pay the purchase price thereof as provided in Section 1.

7. **Representations, Warranties and Agreements of the District.** The District hereby represents, warrants and agrees with the Underwriter that:

(a) **Due Organization** The District is a public instrumentality duly organized and validly existing under the laws of the State of California, with the power to issue the Bonds pursuant to the Act.

(d) **No Conflicts**. To the best knowledge of the District, the issuance of the Bonds, and the execution, delivery and performance of this Contract of Purchase,

the Bond Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the District a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is a party or by which it is bound or to which it is subject.

(e) Litigation. As of the time of acceptance hereof no action, suit, proceeding hearing or investigation is pending in which service of process has been completed against the District or, to the best knowledge of the District, threatened against the District: (i) in any way affecting the existence of the District or in any way challenging the respective powers of the several offices or of the titles of the officials of the District to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, the application of the proceeds of the sale of the Bonds, or the collection of revenues or assets of the District pledged or to be pledged or available to pay the principal of and interest on the Bonds, or the pledge thereof, or the levy of any taxes contemplated by the Resolutions or in any way contesting or affecting the validity or enforceability of the Bonds, this Contract of Purchase or the Resolutions or contesting the powers of the District or the Resolutions or this Contract of Purchase; or (iii) in which a final adverse decision could (a) materially adversely affect the operations of the District or the consummation of the transactions contemplated by this Contract of Purchase or the Resolutions, (b) declare this Contract of Purchase to be invalid or unenforceable in whole or in material part, or (c) adversely affect the exclusion of the interest paid on the Bonds from gross income for federal income tax purposes and the exemption of such interest from California personal income taxation.

(f) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, neither the District directly, nor the County on behalf of the District at the District's request, will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(g) Arbitrage Certificate. The District has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the District is a bond issuer whose arbitrage certificates may not be relied upon.

(h) Certificates. Any certificates signed by any officer of the District and delivered to the Underwriter shall be deemed a representation and warranty by the District to the Underwriter, but not by the person signing the same, as to the statements made therein.

(d) No Conflicts. To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Contract of Purchase, the County Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a default under, any agreement, indenture, mortgage, lease or other instrument to which the County is a party or by which it is bound or to which it is subject.

(e) Litigation. To the best knowledge of the County, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of

the Contract of Purchase or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Contract of Purchase or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County Resolution or the Contract of Purchase; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

(f) No Other Debt. Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowing as may be described in or contemplated by the Official Statement.

(g) Arbitrage Certificate. The County has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that the County is a bond issuer whose arbitrage certificates may not be relied upon.

(h) Certificates. Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. **Covenants of the County and the District.** The County and the District respectively covenant and agree with the Underwriter that:

(a) Securities Laws. The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with, and at the expense of, the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and jurisdictions; provided, however, that the County and the District shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof;

(b) Application of Proceeds. The District will apply the proceeds from the sale of the Bonds for the purposes specified in the Bond Resolution;

(c) Official Statement. The District hereby agrees to deliver or cause to be delivered (and the County agrees to cooperate with the District in connection with such delivery) to the Underwriter, not later than the seventh (7th) business day following the date this Contract of Purchase is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto being called the "**Official Statement**") in such reasonable quantities as may be requested by the Underwriter not later than five

(5) business days following the date this Contract of Purchase is signed, in order to permit the Underwriter to comply with paragraph (b) (4) of the Rule and with the rule of the Municipal Securities Rulemaking Board. The District hereby authorizes the Underwriter to use and distribute the Official Statement in connection with the offering and sale of the Bonds;

(d) Subsequent Events. The District hereby agrees to notify the Underwriter of any event or occurrence that may affect the accuracy or completeness of any information set forth in the Official Statement relating to the District until the date which is twenty-five (25) days following the Closing;

(e) References. References herein to the Preliminary Official Statement and the final Official Statement include the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto; and

(f) Amendments to Official Statement. For a period of twenty-five (25) days after the Closing or until such time (if earlier) as the Underwriter shall no longer hold any of the Bonds for sale, the District will not adopt any amendment of or supplement to the Official Statement to which, promptly after having been furnished with a copy, the Underwriter shall reasonably object in writing or which shall be disapproved by the Underwriter; and if any event relating to or affecting the District shall occur as a result of which it is necessary, in the opinion of the Underwriter, to amend or supplement the Official Statement in order to make the Official Statement not misleading in light of the circumstances existing at the time it is delivered to a purchaser, forthwith prepare and furnish (at the expense of the District) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance reasonably satisfactory to the Underwriter) which will amend or supplement the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time the Official Statement is delivered to a purchaser, not misleading.

10. **Conditions to Closing**. The Underwriter has entered into this Contract of Purchase in reliance upon the representations and warranties of the County and the District contained herein and the performance by the County and the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter's obligations under this Contract of Purchase are and shall be subject at the option of the Underwriter, to the following further conditions at the Closing:

(a) Representations True. The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the County and the

District shall be in compliance with each of the agreements made by it in this Contract of Purchase;

At the time of the Closing, (i) the Official Statement, this Contract of Purchase and the Resolutions shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by us; (ii) all actions under the Act which, in the opinion of O'Melveny & Myers LLP, bond counsel ("**Bond Counsel**"), shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the County and the District shall perform or have performed all of their obligations required under or specified in the Resolutions, this Contract of Purchase or the Official Statement to be performed at or prior to the Closing;

(c) Adverse Rulings. No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Contract of Purchase (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, be threatened which has any of the effects described in Section 7(e) or 8(e) hereof or contesting in any way the completeness or accuracy of the Official Statement;

(d) Marketability. Between the date hereof and the Closing, the market price or marketability or the ability of the Underwriter to enforce contracts for the sale of the Bonds, at the initial offering prices set forth in the Official Statement, of the Bonds shall not have been materially adversely affected in the reasonable judgment of the Underwriter (evidenced by a written notice to the County and the District terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) by reason of any of the following:

(1) legislation enacted or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court established under Article III of the Constitution of the United States or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

APPENDIX B
OPINION OF COUNTY COUNSEL

\$3,871,629.20
PALMDALE SCHOOL DISTRICT
GENERAL OBLIGATION BONDS (ELECTION OF 2001), SERIES 2003

Ladies and Gentlemen:

This opinion is rendered as counsel to the County of Los Angeles (the "**County**") in connection with the issuance by the Palmdale School District (the "**District**") of its General Obligation Bonds (Election of 2001), Series 2003 in the aggregate principal amount of \$3,871,629.20 (the "**Bonds**"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on [____], 2003 (the "**County Resolution**"), at the request of the district made pursuant to a resolution adopted by the Board of Trustees of the District on November 18, 2003 (the "**District Resolution**"). All capitalized terms used herein without definition shall have the meanings given to them in the County Resolution.

In rendering this opinion, we have examined the County Resolution and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "**State**"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and validly existing pursuant to the Constitution and the laws of the State of California.
2. The County Resolution approving and authorizing the execution and delivery of the Contract of Purchase and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption.
3. The County Resolution, as duly adopted, has not been modified, amended, rescinded or revoked and is in full force and effect.
4. To the best of our knowledge, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending or threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective officers; (b) seeking to prohibit, restrain or enjoin the execution of the Contract of Purchase or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Contract of Purchase or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations

under the County Resolution or the Contract of Purchase; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

5. The Contract of Purchase has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Contract of Purchase constitutes the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Contract of Purchase and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Contract of Purchase or the Bonds.

The Superintendent or designee, and such other officers of the District as may be authorized by this Board of Trustees are, and each of them acting alone hereby is, authorized to execute and deliver the final Official Statement on behalf of the District, with such changes from the Preliminary Official Statement as the officer executing the same on behalf of the District may approve, in his or her discretion, as being in the best interests of the District, such approval to be conclusively evidenced by such officer's execution thereof.

The District hereby covenants and agrees that it, not the County, will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Resolution, failure of the District to comply with the Continuing Disclosure Agreement shall not be considered an event of default and shall not be deemed to create any monetary liability on the part of the District to any other persons, including owners of the Bonds.

Section 9. This Board of Trustees will use the proceeds from the sale of the Bonds to finance the acquisition, improvement, expansion and/or construction of some or all of the purposes authorized at the November 6, 2001 election (collectively, the "**Projects**").

Section 10. This Board of Trustees authorizes the payment to the County for County staff expenses in connection with the County's support of, and participation in, the issuance of the Bonds, and its fees and expenses as paying agent (the "**Paying Agent**"). This

Board of Trustees further recognizes and agrees that ongoing fees associated with the Bonds, such as Paying Agent fees, will be the responsibility of the District.

Section 11. In order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, this Board of Trustees hereby covenants to comply with each applicable requirement of Section 103 and Sections 141 through 150 of the Internal Revenue Code of 1986, as amended (the “**Code**”). In furtherance of this covenant, the District agrees to comply with the covenants contained in the Tax and Nonarbitrage Certificate (the “**Nonarbitrage Certificate**”) to be executed by the District on the date of delivery of the Bonds. The District hereby agrees to deliver such instructions to the Paying Agent for the Bonds as may be necessary in order to comply with the Nonarbitrage Certificate.

Section 12. The Board of Supervisors of the County is hereby authorized to select and appoint the Paying Agent. Such Paying Agent (which may be the Treasurer and Tax Collector of the County) shall signify the acceptance of its duties and obligations by executing and delivering to the County and the District a written acceptance thereof.

Section 13. Upon the sale of the Bonds, the proceeds thereof, exclusive of accrued interest and any original issue premium, shall be deposited into a fund established and held by the County and administered by the County Office of Education for the account of the District and designated as the “General Obligation Building Fund, Series 2003” (the “**General Obligation Building Fund**”). The District shall, from time to time, request disbursements from the General Obligation Building Fund to pay the projects costs in the same manner as other school money disbursements. The District may pay, or cause to be paid, costs of issuance using moneys disbursed from time to time, as appropriate, from the General Obligation Building Fund.

Costs of issuance shall include all of the costs of issuing the Bonds, including but not limited to, all printing and document preparation expenses in connection with this Resolution, the Bonds and the Official Statement pertaining to the Bonds and any and all other agreements, instruments, certificates or other documents prepared in connection therewith; financial advisory fees; underwriter’s fees; rating agency fees; auditor’s fees; CUSIP service bureau charges; legal fees and expenses of counsel with respect to the financing; the initial fees and expenses of the Paying Agent; fees for any credit enhancement relating to the Bonds; and other fees and expenses incurred in connection with the issuance of the Bonds or the implementation of the financing for the Projects, to the extent such fees and expenses are approved by the District. Some or all of the costs of issuance may be paid by the Underwriter.

Section 14. The District hereby covenants to spend all Bond proceeds in accordance with applicable law, including but not limited to Chapter 2, Part 10, Division 1, Title 1 of the California Education Code of the State of California (commencing with Section 15100), as amended, and Article XIII A of the California Constitution.

The Superintendent or designee is hereby authorized and directed to take such other actions as may be necessary to sell all or a portion of the Bonds with bond insurance, if the Superintendent, in consultation with the Underwriter and the County, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

Section 16. The Bonds may be issued as current interest bonds and/or capital appreciation bonds as set forth in the Contract of Purchase, subject to the provisions of the County Resolution.

(a) The Bonds shall be subject to redemption as provided in the Contract of Purchase.

(b) The Board of Supervisors of the County is hereby authorized to set the terms of the redemption of the Bonds in the Contract of Purchase and to provide in the County Resolution the method of giving notice of redemption to holders of Bonds to be redeemed.
